

DON'T GO DOWN
WITH THE **SHIP!**

BOATYARD WARS

Are you willing to go down with your ship? This unique, exhilarating group activity will be the talk of your company for years to come. Each team is given a supply of cardboard and duct tape and must devise a plan to build the ultimate sea worthy vessel and sail it from one end of the hotel swimming pool to the other. Teams will also have the opportunity to 'purchase' items from the junkyard to assist with building their boats. Your team strategy is important through both the design and build processes. This is truly an all hands on

deck activity. All aboard for a swash-buckling great time your group will be sure to enjoy! Teams of 6-10 people are recommended. We recommend using 3-4 hours to complete the challenge, depending on the group size. We also recommend adding on a video of the entire event. The finished product is a 12 minute video that comes on DVD.
